

IEEE Waveform Generation Measurement and Analysis Technical Committee (TC10)  
Meeting Agenda  
17 October 2023 / 11:00 AM – 1:00 PM (UTC-4)

1. Call to Order
2. Introductions and Roll Call
3. Approval of the Agenda
4. Approval of the minutes from the previous meeting (18 July 2023)
5. TC10 business
  - a. eTools – questions, comments, concerns
  - b. IEEE TC10 history – Bill Boyer
  - c. Quarterly meetings – notifications, invitations
    - i. Upcoming: 16 January 2024
  - d. New standards
  - e. Other business
6. Working Groups Updates
  - a. IEEE Std 181, IEEE Standard for Transitions, Pulses, and Related Waveforms
    - i. Revision of IEEE Std 181
      1. Lead: Nick Paulter
      2. Status:
  - b. IEEE Std 1241, IEEE Std for Terminology and Test Methods for Analog-to-Digital Converters
    - i. Revision of IEEE Std 1241
      1. Lead: Nick Paulter
      2. Status: published
    - ii. Seeking new working group chair
  - c. IEEE Std 1658, IEEE Std for Terminology and Test Methods of Digital-to-Analog Converter Devices
    - i. Revision of IEEE Std 1658
      1. Lead: Luca DeVito
      2. Status: published
  - d. IEEE Std 1696, IEEE Std for Terminology and Test Methods for Circuit Probes
    - i. Revision of IEEE Std 1696
      1. Lead: John Jendzurski
      2. Status:
7. Guest presentation
  - a. none
8. Adjourn
