

IEEE Signal Processing Society SAR Exploitation Study Sub-Group

Meeting Agenda for **Thursday, March 30, 9 – 10 pm EST, U.S.** via Internet/Web

1. Call to Order.
2. Introduction and Affiliation Declarations.
 - a. Dr. Shobha Ram (<shobha@iiitd.ac.in>) and Bradley Evans (bradleyevans@unm.edu) are Co-Chairs for this SAR Exploitation Study Sub-Group.
 - b. Please send Bradley Evans your name, e-mail, and affiliation via e-mail.
 - c. Please attest to having read the IEEE policies on copyrights, behavior, and patents.
3. Approval of Agenda for the Second SAR Exploitation Sub-Group Meeting.
4. Discussion Topics:
 - a. Presentation of work on “SAR, Vibrometry, and Radar Signal Processing” by Bradley Evans.
 - b. Cisco Webex platform. Please assume that all meetings will be held on this web/internet platform. Our parent IEEE SPS SAR organization has a license with them, and the platform software is readily and easily downloadable from the internet at:
<https://www.webex.com/downloads.html>
 - c. Please let us have other group members give and present talks as to their current research on how they are “exploiting” the use of Synthetic Aperture Radar.
5. Future Meetings.
 - a. The tentative date for the next meeting will be on Thursday, April ?, 2023.
 - b. We can assume that all meetings will be held on either the first or last Thursday of each month.
6. Adjourn.

E-mails: Dr. Shobha Sundar Ram: <shobha@iiitd.ac.in>
Mr. Bradley Evans: <bradleyevans@unm.edu>
