

IEEE Signal Processing Society
Synthetic Aperture Standards Committee
Meeting Agenda (draft) for Wednesday, October 19, **3:00p – 4:00p ET** via teleconference

1. Call to Order
2. Introduction and Affiliation Declarations
 - a. Please provide name, email, affiliation on Google form
 - b. Please attest to having read the IEEE policies on copyrights, behavior, and patents
 - c. Establish Quorum
3. Approval of Agenda
 - a. Mover
 - b. Seconder
 - c. Discussion
 - d. Result (approve, disapprove, abstain)
4. Approval of Previous Meeting Minutes
 - a. Mover
 - b. Seconder
 - c. Discussion
 - d. Result (approve, disapprove, abstain)
5. IEEE Patent and Copyright Policies
 - a. Review if necessary
 - b. Call for patents
6. Discussion Topics:
 - a. Vote on the PAR for a new synthetic aperture radiometry working group. PAR document is titled *``Recommended Practice for Aperture Synthesis of Architectural Instantiations of Radiometer Arrays``*.
 - b. Vote on PAR for a new synthetic aperture geolocation working group. PAR document is titled *``Standard for Versatile Geolocation and Wireless Channel Sounding Using Field-Portable Synthetic Apertures``*.
7. New Business
8. Future Meetings
 - a. Tentative date for next meeting is Thursday, November 17
9. Adjourn
